- EXEMPLES
- FINAL WORDS

YAC is a Youth-led community project founded in 2018 with the aim of contributing to controlling and preventing corruption in Lebanon in more innovative and efficient ways through social innovation, social entrepreneurship and collective intelligence.

We at YAC have the **Humility** to learn, the **Creativity** to design innovative anti-corruption solutions, **Integrity** and the **Courage** to break the corruption chain.

Our Mission, Vision and Values

Why we do what we do?

OUR MISSION

Leverage youth, social innovation and social entrepreneurship to design innovative solutions to fighting corruption.
